

# JAKUB SKORUPA

---

I am a 23-year-old a second-degree student of Education in Technology and Computer Science seeking a job in the IT department. I possess strong communication skills and the ability to quickly learn new information. I easily establish relationships with clients and have experience in team management. I always pay attention to the smallest details and try to perform reliably the duties assigned to me. I am looking for opportunities to gain my first experience in IT.
